Filter Technology, Inc. is pleased to announce an exciting promotion for its TQW (Total Quality Water) Program. For a very low price per location (\$109.00), your company would receive a comprehensive report on drinking water quality at each site. This report would include:

- **Site-by-Site Survey to determine current drinking water quality and compliance**
- **9-point Water Quality Test**
- **Water Source Analysis**
- **Water Quality Equipment Inventory**
- **TQW Detailed Analysis Report with Recommendations**
- **All Labor to include travel**
- **All Testing Equipment and Materials**

All material is guaranteed to be as specified. All work to be completed in a professional manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders and will become an extra charge over and above the estimate. All agreements contingent upon delays beyond our control. Purchaser agrees to pay all costs of collection, including attorney's fees. Filter Technology Inc. owns the parts and material installed until payment is made in full and reserves the right to remove said parts and material if payment is not made in a timely manner. This promotion is valid through 12/31/07.
